

*"I've always had big dreams ...
a career in broadcasting, friends and family,
and a beautiful home."*

- Jim Nantz

Furnitureland South is a multi-day destination for discerning customers from every state, and one of the best-kept secrets on tour.

Unmatched Selection. Showcasing over 500 name-brands in more than one million square-feet of showroom space, Furnitureland South has the home furnishings, accessories and rugs for every style and budget.

Experienced Design Consultants. With years of experience helping clients with design decisions, space planning, color coordinating and fabric selection, our Design Consultants can find the perfect furniture to complement any lifestyle.

Exceptional Value. As the World's Largest Home Furnishings Showplace, Furnitureland South has the buying power to offer everyday savings of up to 50% off retail prices.
